

COMMUNITY WELLNESS BUS

Expression of Interest for Collaboration

The Community Wellness Bus (CWB) is all about meeting people where they are. We want to provide easier access to health and social services, improve health outcomes, and reduce gaps in mental health and addictions care. The CWB isn't meant to replace existing services, but instead to fill gaps, make connections, and provide resources.

In order to proactively foster an equitable and safe environment, we are requesting that you complete the following Expression of Interest for any collaboration requests.
